Electrical World

Volume 144—July-December 1955

McGRAW-HILL PUBLISHING COMPANY, INC. • 330 West 42nd Street, New York City

GENERAL ALPHABETICAL INDEX

A

Accounting

Electronics applied to accounting will need changes to produce cost-saving plans, PCEA is told, Dec. 12 208
Florida rules on depreciation, Nov. 7 .. 63
Kentucky Public Service Commission orders Kentucky Power Co. to normalize taxes and the use of a restricted surplus account for the tax deferral, Sept. 12 63
Louisiana PSC issues new depreciation order, Aug. 8 196
Michigan Public Service sets accounting methods, Nov. 14 262
Oklahoma on depreciation, Dec. 5 63
One-station customer bookkeeping economic at Indianapolis P&L. J. D. Lemon, Nov. 14 ..... *122
Potomac Electric Power Co. saves $52,000 by leaving residential services energized after the customer has vacated the premises, O. W. Jackson, Aug. 29 ..... *48
Summary of accounting and rate-making treatment of liberalized depreciation for the industry (tables) Pt. 1, Dec. 12-206. Pt. 2, Dec. 19 63
Tax reduction not deferral is claimed by intervenors in Columbia Gas petition proceedings, Nov. 28 166
3 more PSC's rule on depreciation, July 11 218

Advertising (see also **Public Relations**)

Adequate wiring—new cartoon character, July 11 ..... *154
Arizona PS uses comic strip characters to tell the story of its 1954 annual report, Sept. 5 170
Columbus & Southern Ohio Electric ads sell air conditioning, Oct. 31 ... *60
Consolidated Edison tells the public the facts with advertisement after Hurricane "Connie," Oct. 3 200
ECAP ad cited by Crowell-Collier, Sept. 19 ..... *288
ECAP seeks TV show for 1956 sponsorship, Nov. 28 160
How to grab a front page headline, Sept. 12 62
Kansas P&L ad explains heavying up of distribution system to handle summer air conditioning load, Oct. 31 ..... *60
Kansas City P&L's public relations program runs concurrent with distribution modernization program, Aug. 22 ..... *103
Ohio Power Co. traffic-building promotion, Oct. 31 ..... *60
Rochester G&E "news page" ad draws reader interest, Dec. 12 200
Utility ads promote coal, Aug. 22 204

Air Conditioning

Cleaning time is cut in air conditioned "village" (N) July 18 55
Cool photo lab improves print quality, Aug. 8 ..... *141
Fan exhausts fumes through big hood. J. M. Jennings, Jr., Oct. 17 ..... *174
'56 air conditioning: higher PF, less amps, Dec. 19 54
Gas-fired air cooler ok'd (N) Nov. 14 252
Los Angeles Dept. of Water & Power resorts to paralleled secondaries and banked transformers for blanket installation of air conditioning units in new housing developments, Gom & Schanbacher, Oct. 3 ..... *89
Manufacturers shoot for higher power factors, Aug. 15 55
1940 factories will be air conditioned to raise production efficiency, Oct. 3 142
Phoenix City Council ordinance for installing air conditioning equipment in side yards meeting protests (N) Aug. 1 10
Pittsburgh office building equipped with 600 room coolers for heating and cooling, July 25 147
Uniting air conditioning unit and gas-fired heating plant. Leon Albertson, Sept. 19 ..... *178
What's ahead for air conditioning? Sept. 26 55

Alaska

Anti-freeze spray fights power plant "fog" at Elelson AFB (N) Oct. 31 .. 126
New group organized to push hydro development, Aug. 8 178
Power site eyed (N) Oct. 3 197

Anniversaries

Joslyn, PINCO observe 35th sales anniversary (N) Dec. 19 ..... *59

Appliances

Better servicing is a must, Quinton tells PCEA meeting, Dec. 12 146
Chicago Merchandise Mart show—higher prices for appliances? (N) July 18 55
Cleveland Electric Illuminating refund guarantee campaign extended to both dryers and ranges (N) Oct. 10 55
Dryer campaign to be pushed by EEI (table) Oct. 3 146
Food freezer promotion — "Timely Tuesday" program of Arizona PS, Nov. 14 192
Gas range sales could hit 3.2 million in '55, Aug. 15 55
Home appliances will not only look more attractive but will have work-saving features, Nov. 14 190
Indianapolis P&L opens 4-in-1 center for appliance demonstration, Sept. 12 ..... *51
Mass home builder growing in importance to appliance market, Dec. 12 144
NEMA dishwasher campaign, July 25. *136
Opinion-mottled on colored appliances, Aug. 22 156
Sales for 1955 booming, Sept. 5 120
Sales remain high, say makers, Aug. 8 141
South Carolina E&G to promote quick recovery water heaters (N) Dec. 19 54
Toledo Edison Co. quits direct appliance selling (N) Oct. 10 55

Area Development

Area development rewards utilities—EEI Area Development Committee Workshop, Nov. 7 55
Carolina P&L lends $50,000 to promote state (N) Oct. 3 204
Kentucky goes a 'courtin' industry—industrialists scan proposed route to study potential of 58-plant sites (map) Nov. 28 ..... *62
Utah P&L embarks on second series of national ads to attract industry, W. A. Huckins, Nov. 14 ..... *114

Associations

AEIC annual meeting, Nov. 7 ..... *15
AEIC elects new officials (N) Oct. 31 *47
AIEE Fall General Meeting tackles T & D topics, Nov. 7 ..... *44
AIEE N. Y. section to launch atom course in September (N) Aug. 15 .. 15
AIEE Pacific General Meeting in Butte, Mont. (N) Aug. 29 15
AIEE sets meeting dates and sites for 5 years (N) Sept. 19 113
AIEE summer general meeting report, July 28 ..... *84
ASME Diamond Jubilee Annual Meeting hears report on atom, Dec. 19 .. *25
ASME sponsors Chicago Exposition of Power and Mechanical Engineering featuring atomic power (N) Dec. 5 *59
Atomic Industrial Forum—7,000 attend first atomic trade fair (N) Oct. 10 ..... *8
Canadian Electrical Assn. annual convention (N) July 18 22
Central Alaska Power Assn. organized to push hydro development, Aug. 8 178
EEI Accident Prevention Committee meeting (N) Dec. 12 192
EEI and AEIC Meter and Service Committees joint session, Oct. 24 .. *27
EEI appoints Edwin Vennard managing director (N) Dec. 26 ..... *52
EEI Area Development Committee Workshop at St. Louis, Nov. 7 55
EEI awards for 1955—You may win (Ed) Oct. 10 5
EEI committee schedules area development meet (N) Sept. 26 44
EEI—18th semi-annual power survey predicts 19.8% reserve for 1958 (N) Nov. 21 10
EEI Electrical Equipment Committee meeting, Nov. 7 ..... *50
EEI Handbook Survey shows how underground is maintained, C. S. Anderson (tables), Nov. 28 ..... *76
EEI Industrial Relations Comm. Round Table Conference to air personnel policies, Aug. 1 ..... *46
EEI Industrial Relations Conference in Chicago, Oct. 10 ..... *49
EEI's "Pocketbook of Electric Industry Statistics"—buy it and use it (Ed) Oct. 31 43
EEI starts wiring program (N) Dec. 26 56
EEI survey shows editorials favor Dixon-Yates (N) Sept. 26 15
EEI technical and sales conference to be held in Cincinnati Feb. 6-10, 1956 (N) Aug. 29 44
EEI to repeat "White Gloves" promotion for electric ranges, Nov. 28 ... 112
EEI Transmission & Distribution Committee meeting at New Orleans airs voltage boost plan, Oct. 24 ..... *22
EEI Underground Handbook Survey shows underground distribution is adaptable for residential development. F. E. Andrews (tables), Dec. 12 ..... *107
EEI—Vennard—a wise choice (Ed) Dec. 26 49
Engineering organizations—the unity is there (Ed) Nov. 7 5
Engineering Societies building site—careful selection urged (N) July 4 .. 15
ISA exhibit restresses trend to automation (N) Oct. 3 180
Inter-Industry Power Use Workshop—2nd annual meeting shows companies, co-ops pooling sales efforts (table) Dec. 26 ..... *57
International Association of Electrical Leagues meeting in Toronto, Oct. 24 44
International Atomic Congress and Exposition opens in Cleveland (N) Dec. 19 ..... *9
Iowa Utilities Assn. annual meeting, Oct. 31 ..... *51
Mica Fabricators Association 11th annual meeting (N) July 18 56
NARUC 67th annual convention—regulatory changes charted, Nov. 11 ... *54
NELPA 48th annual meeting, Dec. 19 *44
NEMA—J. W. Corey named president (N) Nov. 21 ..... *8
NEMA Convention elects new officers, Nov. 28 ..... *148
NEMA survey shows almost everywhere utilities like electric house heating (map & chart) Nov. 14 .. 120
NEMA unit plans more dishwasher push in 56, Nov. 28 112
NEMA Wire & Cable Section meeting (N) Oct. 17 232
NICB Fourth Annual Conference on Atomic Energy in Industry, Nov. 21 65
National Electrical Week set for early February (N) Dec. 26 56
Northwest Public Power Assn. Engineering and Operations Section meeting (N) July 4 ..... *27
Nuclear Engineering and Science Congress to be held (N) Nov. 28 56
PCEA Administrative Services Section discusses electronics for accounting, Dec. 12 208
PCEA business development section meeting, Dec. 12 146
PCEA presents industrial heating conference (N) Aug. 15 ..... *27
PEA annual meeting, Oct. 10 ..... *22
PEA System Planning and Relay Committees meeting, Nov. 28 ..... *60
PIP meeting hits federalized power, Oct. 31 ..... *140
PIP work shop to offer "Face the Facts" theme (N) Sept. 26 44
Power Distribution Conference at Austin, Tex. discusses change from 120/240 to 240/480v (N) Nov. 21 .. *28
Power Suppliers Conference held in conjunction with National 4-H Club Congress in Chicago (N) Dec. 19 .. *15
Public Information Program—new chairman C. J. Forsberg (N) Sept. 19 ..... *113

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Public Utilities Association annual meeting—regulation of private utilities theme, Oct. 10 ... 18
Rocky Mountain Electrical League 52nd annual convention, Oct. 10 ... *44
SEE Public and Employee Information Conference airs public relation techniques, Nov. 14 ... 256
SEE Sales Conference theme—"Selling that clicks in '56", Dec. 5 ... *30
Southeastern Electric Exchange Engineering and Operation Section meeting, Oct. 10 ... *25
Southeastern Electric Exchange slates sales conference (N) Oct. 17 ... 247
Symposium on Solar Energy (N) Dec. 5 ... *55
West Coast Crossarm Association formed (N) Aug. 15 ... 56
Wisconsin Utilities Association convention, Nov. 7 ... *31

Atomic Energy (see **Nuclear Power**)

Atomic Energy Commission

Approves reactor proposed by Consumers Power District of Nebraska (N) Nov. 7 ... 9
Argues for secrecy on H-process, Oct. 17 ... 258
Declines insurance aid for private atom installations, except as last resort (N) Aug. 29 ... 10
Dixon-Yates threatens suit to collect cancellation fees which AEC refuses to pay (N) Dec. 5 ... 9
Geneva Conference may change AEC policy, Aug. 8 ... 194
Headquarters site chosen near Germantown, Md. (N) Aug. 15 ... 49
House-slashed AEC fund taken up by Senate unit (N) July 25 ... 78
How to obtain a license from AEC (N) Sept. 19 ... 111
Issues safety rules for private atom users (N) July 18 ... 15
Lawyers question Dixon-Yates contract (N) Nov. 28 ... 54
Offers aid to REA's and public power groups (N) Oct. 3 ... 82
Regulatory program of nation's privately owned atomic energy industry headed by Harold L. Price (N) Sept. 19 ... *110
Releases study prepared by utility team on atomic energy needs in Europe (N) Aug. 29 ... 16
Spurns application by Elk River REA co-op for government financed nuclear reactor (N) Oct. 3 ... 82
Steps up its H-power program (N) Oct. 17 ... 109
Whitfield, Allen—President Eisenhower rescinds nomination for AEC post (N) July 18 ... 15

Awards

Arkansas P&L cited by Research Institute of America, July 25 ... 182
Dayton P&L wins award for best annual report, Nov. 14 ... 256
EEI to present new award for educational activities on the light-and-sight theme (N) Oct. 17 ... 247
Food Service Utility Awards to be presented annually, Sept. 19 ... 208
McGraw, J. H., award to Don B. Clayton (N) Nov. 14 ... 113
1954 Lamme Gold Medal award to A. M. deBellis (N) July 4 ... *10

B

Batteries

Alcoa develops aluminum dry cell batteries (N) Dec. 26 ... 138
Polyethylene boosts life of Exide storage batteries (N) Dec. 19 ... 59
Two curves simplify battery life tests K. A. Vaughan, Dec. 26 ... 85

Belgium

Westinghouse to supply power reactor (N) Nov. 28 ... 55

Boilers

B&W to build world's largest boiler (N) July 18 ... 56
Choice of power plant auxiliaries based primarily on economics, Gavit, & Fraser Jr. (charts & table) Aug. 8 ... 76
Facts learned about demineralization Wallace & White, (table) Sept. 26. *48
Fogging machine cuts cost of detecting boiler leaks, Nov. 14 ... *145
Gas turbine best for feed pump drive, C. J. Burke, Aug. 1 ... *30
Long Island Lighting installs 123-ton boiler in Barrett Power Station (N) Aug. 22 ... *89
Turbine-driven feed pump best AG&E finds J. A. Tillinghast, Nov. 28 ... *66

Bonneville Power Administration

Awards contracts to Reynolds Metals and Bethlehem Pacific Steel, Dec. 26 ... 128
Bethlehem bids low for towers on 345-kv line (N) July 18 ... 56
Digital test solves load-flow problems, Sept. 26 ... 39
Emergency plans tested in civil defense drill (N) Nov. 7 ... 32
Ends contract with British Columbia Electric (N) Nov. 21 ... 32
GE awarded contracts for auto transformers, July 25 ... 189
Long-term pacts studied by BPA for interruptible (N) Dec. 12 ... 195
Study for BPA begun on bundled conductors (N) Oct. 24 ... 18
345-kv line nears completion (N) July 18 ... *22

Bureau of Reclamation (see **Reclamation Bureau**)

Bushings

All-metal tops for 73-kv bushings reduce maintenance, John Frakes, Oct. 3 ... *120
Locke Dept. of FE ships 500th ASA standard bushing (N) Aug. 8 ... 169
Tool holds bushings during sealing job, R. L. Ware, July 25 ... *133

Business Outlook

Economic progress was sensational in present year—year-end review and predictions for 1956, E. Benoit-Smullyan, Dec. 26 ... 66

C

Cables

AEIC to sponsor $500,000 cable research, Nov. 7 ... *15
Aerial cable proves storm-proof, J. J. O'Brien, Aug. 22 ... *96
Aircraft warning cable spans remote creek, J. J. Hansen, Dec. 26 ... *90
Anaconda studies weather effects on power cables (N) Nov. 14 ... *224
Armored cable in open racks cuts cost of installing 2,300-v power circuits at Cleveland Electric Illuminating's Eastlake station, C. F. Paulus, Oct. 31 ... *64
British Columbia Electric starts initial work on Jervis Inlet span (N) Dec. 26 ... 135
Cables in troughs yield savings, versatility, Carl Kuna, Nov. 14 ... *172
Continental Wire ships 2,000 Mcm VC cable (N) Dec. 26 ... 126
Cope, T. J. Inc. develops ladder for armored cable, July 25 ... 182
Direct burial cuts control cable cost, I. G. Chronister, Aug. 8 ... *83
Extra-high voltage cables seen as rising need by utilities, L. I. Komives (tables) July 11 ... 98
Inexpensive taping method salvages underground shielded cable, A. R. Barton Jr. Sept. 19 ... *158
Kaiser introduces triplex cable with aluminum alloy neutral (N) Aug. 1 ... 56
Land-to-barge cables carry power to unload cement, L. J. Langevin, Nov. 28 ... *108
Long Island Lighting's new design for aerial cable secondary system, F. T. Hausle, July 11 ... *92
Okonite Co. triple checks quality of cable (N) Sept. 26 ... *56
Plastics used to splice aerial cable, L. Falkenstein (tables) Aug. 1 ... *16
Surge attenuation less on high voltage cable, July 25 ... 194
Symposium clarifies network protection—AIEE meeting report, July 25 ... 88
Tests guide freezing of pipe cable—AIEE meeting report, July 25 ... 87
Transocean phone cable to link US-Hawaii (N) Oct. 17 ... 233
U. S. Steel ships reel of 12,475-ft cable (N) Aug. 1 ... *56
Water cooling stops cable failures, F. W. Buck (table) July 18 ... *24

Canada

Equipment production levels off at billion mark, Oct. 24 ... 56
Experimental reactor operates after 7-week repair job (N) Oct. 10 ... 42
First power survey indicates load growth easing off (chart & table) Aug. 1 ... 48
Niagara River development pushed (N) Nov. 7 ... *22
Plans for first atomic power plant revealed (N) Aug. 8 ... *42
Power-line carrier installed on 300-kv Kitimat-Kemano line, Sept. 19 ... *172
Reactor contract awarded Canadair Ltd. (N) Oct. 17 ... 251
Sandwell & Co., Ltd. and Electro-Watt Electrical and Industrial Management of Switzerland make cooperation pact (N) Nov. 21 ... 20
Uranium plant in operation (N) Aug. 15 ... 49

Capacitors

Capacitors increase number of meters tested, J. W. Dye, Oct. 17 ... *162
Determination of series capacitor ratings, Marbury & Neri (tables) (R) Dec. 26 ... 96
Place shunt capacitors to save line losses, L. J. Rankine (charts) Oct. 3 ... 96
Public Service of Oklahoma tests find capacitors and regulators solution to voltage problems brought by air conditioning loads, Fowler & Thomas, Aug. 8 ... *74
Series capacitors foil flicker, T. H. McGreer, Sept. 5 ... *84
Series capacitors, operation and applications, Marbury & Neri (R) Dec. 12 ... 132
TESCO installs capacitors to up system power factor cheaply, B. M. Gallaher (tables) Nov. 14 ... *120
Transformer test capacity upped 100% with capacitor bank, Pirhofer & Salton, Nov 14 ... *154
Two simple tests check economics of shunt capacitors for loss reduction, L. J. Rankine (R) (chart) Oct. 3 ... 126

Capacity Additions

Army Corps of Engineers dedicates three Northwest dams (N) (map) July 11 ... *85
Britain opens two coal-burning plants (N) Aug. 1 ... *44
Carolina P&L adds 222.8 Mw with Louis V. Sutton steam plant (N) Aug. 29 ... *49
Changes in capacity reported to FPC (tables) July 25—79, Aug. 15—18, Sept. 12—18, Oct. 31—50, Nov. 14—244, Dec. 12 ... 93
Chief Joseph Dam's first three generators in operation (N) Sept. 26 ... *32
Florida Power adds 70,000-kw unit to George E. Turner plant (N) Dec. 19 ... *20
Illinois Power Co.'s Vermillion plant opened, Sept. 19 ... *280
Louisiana P&L boiler for new unit boosts plant output to 319,000-kw (N) Oct. 17 ... *110
McNary Dam's 10th generator in operation (N) Nov. 28 ... 54
N. Y. State Electric & Gas Milliken station's 135,000-kw unit (N) Oct. 17 ... *110
Pacific G&E completes Pit 4 project (N) Oct. 17 ... *111
Pacific G&E opens Morrow Bay plant, Aug 8 ... *178
Rockland L&P completes Lovett plant (N) July 25 ... *77
South Carolina Generating hikes Urquhart Plant 110,000-kw with new unit (N) Oct. 17 ... *111
TVA completes Kingston plant (N) Nov. 28 ... *55
Toledo Edison completes Bay Shore Station (N) Oct. 17 ... *111
Utah P&L's Gadsby plant opened Sept. 19 ... *280
Virginia Electric & Power's first Roanoke Rapids unit in operation (N) Aug. 22 ... *89

Carrier Current (see **Communications, Controls**)

Circuit Breakers

Allis-Chalmers circuit breaker film depicts hydraulic system (N) Dec. 19 ... 59
GE tests new 138-kv air-blast breaker (N) Aug. 8 ... *168
I-T-E interrupter cuts arcing time to 0.5 cycle (N) Oct. 31 ... 152
Kyger Creek Plant guarded by giant Westinghouse breakers (N) Nov. 7 ... *56
Maintenance of outdoor circuit breakers, R. O. Bonine (R) Sept. 5, 180
Maintenance of power circuit breakers, R. O. Bonine (R) Aug. 22 ... 134
Protection method clears high faults on lv circuits, W. H. Edmunds, Aug. 22 ... *136

Communications

Commonwealth Edison begins two-way radio network expansion (N) Oct. 3 ... *106
FM radio helps coordinate hydro power with irrigation, E. L. Hamilton, Aug. 22 ... *121
Microwave links San Diego G&E offices, Adams & Schnarr, Oct. 17 ... *116
Power-line carrier installed on 300-kv Kitimat-Kemano line, Sept. 19 ... *172
Remote control of microwave repeater station, Eley & Jones, July 11 ... *109
Squelch circuit ends microwave fading trouble, A. S. Cox, Sept. 5 ... *82

Conductors

Bad splices easily detected at Public Service E&G with bolometer, R. M. Havourd (chart & table) Dec. 12 ... *98
Insulator-mounted gin aids laying-in of heavy conductors, R. L. Ware, July 25 ... *116
Louisiana P&L decides on vertical bundling, Deloney & Rush (charts & tables) Dec. 12 ... *102
Reconductors to build capacity on CEI existing lines, F. J. Brown (charts & tables July 4 ... *30
Study for BPA begun on bundled conductors (N) Oct. 24 ... 18

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Controls

Automation cuts cooling tower costs at Southwestern PS. E. W. Robinson, Dec. 12 ..... *100
Consumers Power will link offices by tunnel with new underground control center, July 25 ..... *80
Electronic brain will run 35 of Ohio Edison Co.'s steam generating units (N) Aug. 22 ..... *85
GE's automatic gage controls steel mill (N) Nov. 28 ..... *141
Multiple-unit control speeds response to load changes. P. E. Pfister, July 11 ..... *122
New basic circuit approach betters control board design. Bateman & Walch, Aug. 8 ..... *84
New control schemes guide power generation—AIEE meeting report July 25 86
Remote control of microwave repeater station. Eley & Jones, July 11.. *109
Switches prevent compressor overload. A. L. Carroll, Dec. 12 ..... *140

Cooperatives (see also Rural Electrification Administration)

Colorado co-ops split over power plant site (N) Dec. 19 10
Colorado utility says it cannot meet full power requirements of co-ops in the area (N) Nov. 14 249
Elk River REA co-op application for government financed nuclear reactor spurned by AEC (N) Oct. 3. 82
Inland P&L of Spokane takes over Pend Oreille Electric Co-op, Sept. 12 63
McKay's removal asked by southwest co-ops (N) Nov. 21 32
Rural Cooperative Power Assn. of Elk River, Minn. proposes nuclear plant (N) Aug. 8 ..... *61
Sheyenne Valley Electric Cooperative adopts "fair share" rate plan. Lyle Bryngelson (table) Sept. 19..... 121
Tax exemption—sense of fair play (Ed) Nov. 28 51
Wholesale co-ops come under NLRB, Sept. 12 46

Corporate Changes

Bodendieck Tool stock purchased by Tipsord (N) Nov. 21 56
Borg-Warner Corp. acquires Primor Products (N) Dec. 26 128
Budd uses cash-stock to acquire Continental-Diamond-Fibre assets, July 11 187
Cerro de Pasco Corp. buys Circle Wire & Cable (N) Dec. 12 173
Chance, A. B. Co. purchases Seyler Co. (N) Aug. 15 ..... *59
Cory buys Mitchell stock in air conditioner merger (N) Dec. 19..... 59
Design File purchased by Precision Transformer (N) Nov. 21 56
Hawaii PUC urges merger of Hilo and Kona L&P, Sept. 5 176
Hilo Electric-Kona L&P merger falls through (N) Oct. 31 148
Inland P&L of Spokane takes over Pend Oreille Electric Co-op, Sept. 12 63
Kentucky coal merger seen stabilizing prices (N) Sept. 26 64
Porter, H. K. Co. acquires Electric Service Engineering Co. (N) Sept. 12 59
Square D, EC&M negotiate merger (N) Nov. 21 56
Textron American, Inc., purchases Homelite (N) Aug. 22 186
Ward Leonard acquires interest in Canadian firm (N) Oct. 10 59
Westinghouse negotiates to buy C. A. Olsen Mfg. Co. of Elyria, Ohio (N) Sept. 12 56

Corrosion

Cathodic protection cuts repairs at Florida P&L. J. B. Prime Jr., Dec. 12 ..... *104
Electrical "moth-balling" preserves ships (N) Sept. 26 ..... *15

D

Defense

California utilities establish organization to meet possible enemy attacks. H. G. Keesling, July 11..... *86
Emergency plans tested by BPA in civil defense drill (N) Nov. 7..... 32
Quick recovery utility systems (Ed) Nov. 28 51
Wartime power needs to be surveyed by agencies (N) July 4..... 25

Distribution

Aerial cable proves storm-proof. J. J. O'Brien, Aug. 22..... *96
Automation must proceed slowly—Southeastern Electric Exchange Engine ring and Operation Section meeting, Oct. 10..... *25
Autotransformer betters motor phase conversion. J. C. Hogan (charts) Oct. 17 120
Boom extension aids hole digging at hard-to-reach places. R. W. Nygard, Dec. 26 ..... *98
Checking service results safely without linemen. G. H. Broyles, Sept. 5..*106
Commonwealth Edison builds to serve rising farm load. D. H. Swanson (map) Sept. 19..... *117
Consolidated Edison of N. Y. uses dry ice to cool cables (N) Aug. 8..... *65
Consumer Power's tests conserve transformer kva. Howard Jenson (charts) Dec. 26..... 62
Dallas P&L building distribution for future loads. Barron & Henderson (map) Sept. 5..... *71
Distribution accents voltage, poles—AIEE meeting report, July 25..... 88
Distribution lightning protection can be better, Aug. 22..... *110
EEI Handbook Survey shows how underground is maintained. C. S. Anderson (tables) Nov. 28..... *76
8-step method to shorten outages at Virginia Electric & Power. R. L. Walker Jr., Nov. 28..... *70
Electrical industry forecast 1955-1970 (charts & tables) Sept. 19..... 129
Evaluate the tools of service reliability (Ed) Aug. 22..... 81
Field method identifies leading and lagging regulators. Lokay & Custard, Sept. 19 ..... *149
Gas detector assures safety in underground work, July 25..... *118
GE conference for utility engineers spotlights distribution trends (N) Nov. 21 ..... *81
Ground-rod driver prevents injuries. Paul Good, Aug. 22..... *142
Heating can be off-peak load—tests validate half-voltage operation. Welch & Berry (chart) Sept. 5..... *89
"Industrial Power Systems Handbook"—review of new book edited by Donald Beeman, Aug. 29..... *18
Kansas City P&L defies "heat storms", Aug. 22 ..... *98
Lineman's Handbook by E. B. Kurtz—revised to aid lineman training, Nov. 28 ..... *82
Load-break cutouts switch capacitor banks. W. E. Shafer, Oct. 17..... *152
Long Island Lighting's new design for secondary system. F. T. Hauale, July 11 ..... *92
Los Angeles Dept. of Water & Power resorts to paralleled secondaries and banked transformers for blanket installation of air conditioning units in new housing developments. Goss & Schanbacher, Oct. 3..... *89
Modified level accurately plumbs ornamental street-light standards. H. B. Fuller, Dec. 12..... *136
Molded rubber potential transformer assures greater safety for linemen. J. B. Murray, Sept. 5..... *96
Neoprene triplex self-supporting service and the attachments at buildings (R) Sept. 19 ..... *162
Network distribution costs less. R. P. Huber (charts & tables) July 11.... 59
New system operating maps offer more data cheaper and faster. G. B. Elkington, Sept. 5..... *86
Oil circuit reclosers prove worth at Kansas City P&L. H. A. Shinkle Jr., Aug. 22 ..... *93
Philadelphia Electric avoids expanding secondary capacity. C. E. Nelson (tables) Dec. 26..... 64
Place shunt capacitors to save line losses. L. J. Rankine (charts) Oct. 3 96
Planned sectionalizing minimizes distribution load pickup trouble. J. E. Treweek, Aug. 22..... 114
Potomac Electric Power Co. leaves residential services energized after the customer has vacated the premises—saves $52,000. O. W. Jackson, Aug. 29 ..... *48
Power Distribution Conference at Austin, Tex. discusses change from 120/240 to 240/480v (N) Nov. 21.... *20
Protection method clears high faults on lv circuits. W. H. Edmunds, Aug. 22 ..... *136
Public Service of Oklahoma tests find capacitors and regulators solution to voltage problems brought by air conditioning loads. Fowler & Thomas, Aug. 8 ..... *74
Pushing underground conduit saves $6-ft. on single-duct runs. P. A. Skaff, Oct. 31..... *84
Quiet machine reconductors urban distribution lines. W. B. Patterson, Sept. 19 ..... *164
Rapid growth of distribution speeds search for new and better methods—year-end review and predictions for 1956. L. M. Olmstead, Dec. 26... 72
Reactance design limits fault duty. H. J. Donnelly & others, July 4.... *16
Recommended street and ornamental trees (R) July 25..... 112
Reel pays-out line safely and quickly. W. B. West, July 11..... *136
Re-fusing aids network operation at Kansas G&E. R. V. McCalmont, Nov. 14 ..... *122
Rock extractor made from relamping device. R. L. Ware, Sept. 19..... 169
St. Louis girds for "heat storm". Gruner & Kane, Aug. 22..... *104
Self-powered portable earthborer will reduce hand digging. Frank Raglin, Nov. 14 ..... *140
Split-bank design provides 3-phase power economically. C. H. Wyatt, Oct. 31 ..... *90
TESCO installs capacitors to up system power factor cheaply. B. M. Gallaher (tables) Nov. 14..... *120
Tennessee law guards men near high-voltage lines (N) Nov. 7..... 30
Three principles for rapid restoration of service following hurricanes and other disasters—Philadelphia Electric's catastrophe plan. J. A. English, Aug. 22 168
Toledo Edison solves 12-kv conversion problems. C. B. Fiahle (map) Oct. 17 ..... *124
Underground distribution is adaptable for residential development EEI Underground Handbook Survey shows. F. E. Andrews (tables) Dec. 12.. *107
Voltage selector connects mobile transformers quickly. Harold Brumbaugh, Nov. 14 ..... *158
Voltage test banks improve distribution, Oct. 3..... *130
Water cooling stops cable failures at United Illuminating Co. F. W. Buck (table) July 18..... *24
What is your reliability target? Dec. 19 62

Dixon-Yates

AEC lawyers question D-Y contract (N) Nov. 28..... 54
Cancellation of the Dixon-Yates contract by President Eisenhower (N) July 18 ..... *8
Comments from Memphis (N) July 11. *80
Contract probed in Senate subcommittee hearings (N) July 4..... *10
Controversy rages in Dixon-Yates plant area (N) July 18..... 10
Editorials favor Dixon-Yates. EEI survey says (N) Sept. 26..... 15
Kefauver probes Dixon-Yates (N) July 18 ..... *9
Kefauver probes for scandal in abandoned Dixon-Yates power contract (N) Dec. 12..... 89
Memphis' Mayor Tobey's death could alter plans for construction of municipal power plant (N) Sept. 19. 112
Memphis plant contract awarded to Westinghouse (N) Dec. 5..... 10
Need for Dixon-Yates plant restudied (N) July 11..... 80
Probe continues (N) Aug. 1..... 10
Sues government (N) Dec. 19..... 9
Threatens suit to collect cancellation fees which AEC refuses to pay (N) Dec. 5 9
Who won on Dixon Yates? (Ed) July 18 5

E

Employee Training and Welfare (see also Labor)

Commonwealth Edison Co. techniques taught in job briefing cut errors. A. B. Larsen, Sept. 12..... *16
Educate yourself for life by reading—CEI reading services, Oct. 17..... *112
EEI Industrial Relations Conference in Chicago, Oct. 10..... *40
Executive health: how to protect it. S. C. Franco, Dec. 19..... 16
"He that loves reading . . ." (Ed) Oct. 31 43
Lineman's Handbook by E. B. Kurtz—revised to aid lineman training, Nov. 28 ..... *82
Management needs successors. R. M. Winsborough, Oct. 24..... *16
Public Service of Colorado reading training course, Aug. 15..... *24
Public Service of Oklahoma—an employee information program that works, Sept. 19..... *114
Rockland L&P instructs personnel to operate new Lovett Plant No. 3 unit. D. S. Bailey, Aug. 15..... *31
Southern California Edison's substation operators training school. H. L. Rudolph, Sept. 19..... *127
Teaching the teachers (Ed) Sept. 12.. 5
Utah P&L employee training program—make human relations, public relations, Dec. 5..... *51
Utility training programs surveyed (tables) July 18..... 51

Engineers

Engineer shortage worries AEC chiefs. Dec. 12 304
How the engineer can help the buyer and the storekeeper. W. H. Jones, Dec. 5 ..... *16
Organizations—the unity is there (Ed) Nov. 7..... 5
Look to the high schools (Ed) Nov. 28 51
Personnel rating can be worthwhile. H. E. Crabtree, Oct. 3..... *86

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Salaries higher for graduates of Illinois Institute of Technology, survey reveals, Dec. 19 51
Welcome students (Ed) July 4 5

Equipment Prices

B&W increases prices of tubular products (N) Aug. 1 59
Equipment price slashes disrupted buying practices—year-end review and predictions for 1956. Ary Moselman, Dec. 26 76
Line Material Co. increases prices of fuse cutout line (N) Sept. 12 56
Price increases announced by A-C, GE and Westinghouse (N) Sept. 26 9

F

Federal Power Commission

Approves northwest pipeline to import Canadian gas (N) Dec. 5 10
Highlights of opinion of Idaho Power's development plans for Snake (N) Aug. 15 10
Okays Idaho Power Co.'s plan for Snake River (map) (N) Aug. 15 8
Pacific Northwest Pipe Line Corp's plans to import natural gas from Canada hit snag as company finds itself without a customer (N) Aug. 1 9
Predicts 350% rise in power demand over the next 25 years (N) Nov. 21 51
Rejects application to rehear Hells Canyon, Oct. 10 18
Rules against interlocking directors, Aug. 29 64

Financial

AEC offers aid to REA's and public power groups (N) Oct. 3 82
Banks urged to look at electric utility bonds, Sept. 5 176
Colorado PUC approves Home L&P of Greeley stock offering, Sept. 5 176
Consolidated Edison of N. Y. estimates cost of daylight saving time (N) Nov. 7 9
Electrical industry forecast 1955-1970 (charts & tables) Sept. 19 129
Ford stock's impact on utilities, Dec. 26 142
Idaho Power employees buy shares (chart) July 18 ..... *31
McGraw-Hill survey of Business' Plans for New Plants and Equipment (N) (table) Nov. 14 108
ODM again unshackles tax write-off program (N) Sept. 26 10
Ohio PUC issues 3 fast depreciation orders (N) Oct. 17 198
Santee-Cooper finances probed by state committee (N) Oct. 3 83
Security sales for second quarter of 1955, Aug. 22 210
6 Federal Reserve Banks up discount rates, Sept. 19 303
3 manufacturing presidents predict good business year ahead in 1956, Dec. 26 54
West Penn Power lends workers cash to buy appliances, July 25 138
What will your future money cost? Oct. 31 52

Finland

Equipment orders for 380-kv line placed (N) Nov. 7 32

Fly Ash

Dredge pumps ashes to storage area from Gorgas Plant of Alabama Power. F. B. Wingate, Dec. 19 ..... *20
Northern States Power tries waste fly ash as road builder (N) Oct. 3 ..... *83
Power plant waste sold as aggregate in Britain (N) Aug. 29 27

Foreign Trade

Buy American study initiated (N) Sept. 19 112
Duty-free copper bill passed by Senate (N) July 4 59
Foreign bid moratorium on selective basis being considered for federal projects (N) Sept. 5 67
Interior Dept. sets its policy on foreign bid margin (N) Nov. 21 10
Low foreign bids fought as Penn Transformer calls on senators for aid (N) Dec. 12 173
Mica Fabricators look for reduced import duty (N) July 18 56
Permit government to "Buy American" (Ed) Sept. 26 5
U. S. suppliers to be favored (N) Nov. 14 109

France

Atomic expansion plans aired (N) Nov. 7 ..... *8

Fuel

Coal climbs as power for aluminum (N) Dec. 12 88
El Segundo Station burns most viscous fuel ever used, Oct. 31 ..... *72
Fluid coke shows promise as fuel. Stracke & Schiffer (charts & tables) Dec. 5 ..... *22
Fluid coke to be used by Public Service E&G's Essex Generating Station (N) Oct. 31 47

G

Generators

GE building largest liquid-cooled unit (N) July 25 ..... *78
German firm builds wind generator for Ireland (N) Aug. 8 168
Impact tools speed generator maintenance, Aug. 22 ..... *136
Tracer-current generator speeds locating breaks in counterpoise. S. K. Waldorf, Oct. 31 ..... *82
Westinghouse completes generator for OVEC (N) Sept. 19 266
Westinghouse is building giant turbine-generator (N) Sept. 5 158
Westinghouse to build generator for New York City Transit Authority (N) Oct. 3 182
Windmill generates 100 kw—unit completed after four years will feed into Scottish power network, Aug. 8 *66

Great Britain

Atom waste sunk at sea in concrete containers, Nov. 28 92
Drakelow A Power Station opened (N) Dec. 12 ..... *91
Foreign students attend course on industrial atomic techniques at Harwell Atomic Energy Research Establishment (N) Oct. 10 43
Opens two-coal-burning plants (N) Aug. 1 ..... *44
Power Convention shows Britain optimistic on atom power. J. H. M. Sykes, Aug. 1 ..... *25
Power plant waste from Battersea Station sold as aggregate (N) Aug. 29 27
Pumped hydro storage scheme will be built in North Wales to expand basic power supply (map) Dec. 5 44
Pushes atom as marketable product (N) Aug. 8 64
Rate hike to cover coal cost forecast (N) Aug. 1 44
Record coal loss for second quarter of 1955 (N) Oct. 3 197
Windmill generates 100 kw—unit completed after four years will feed into Scottish power network, Aug. 6 ..... *66

Grounding

New fence grounding procedure cuts costly operations. Olson & Tucker, Nov. 28 ..... *93

H

Heat Pumps

EEI survey shows heat pump promotion is picking up (chart & tables) Dec. 26 60
Trial units in Pacific Northwest undercut costs of other fuels by as much as 35%, Aug. 8 141

Heating, Commercial

Adding five degrees of electric heat to "basic heat" solves problem of cold seepage at Jackson, Mich. bank office. M. L. Bruce, Dec. 12 ..... *138
St. Joseph L&P campaign for truck heating loads. D. W. Runquist, Sept. 12 ..... *27

Heating, Industrial

Air-blast heaters enhance finish on surgical instruments, Sept. 19 ..... *178
Alumina cores dried at night in convection oven, Dec. 26 ..... *105
Asphalt heating pays dividends. W. W. Pearce, Sept. 19 ..... *182
Austempering metal parts with electric heat. L. B. Reed, Oct. 31 ..... *97
Controlled heat improves output. H. W. McLarney, July 11 ..... *100
Converting baking ovens from gas to electricity cuts costs. V. C. Schumacher, Aug. 8 ..... *122
Electric furnace stops pinhole leaks. Robert Enkelmann, Nov. 14 ..... *172
Electric kettle eliminates hazard in food processing, Nov. 14 ..... *174
Hotbeds wired with electric heating cable prevent frost, Oct. 17 ..... *184
Induction extruder presses aluminum. C. T. Heaton, Oct. 17 ..... *178
Induction heat for brazing. E. D. Anderson, July 11 ..... *134
Induction heaters better copper-brazed reamers, Nov. 14 172
Infrared drying tunnel ups plane production, cuts labor. K. H. Breon, July 11 ..... *138
Infrared lamps join robot; production spurts. Robert Enkelmann, Sept. 5 ..*110
Infrared oven dries paint on home movie editor. T. W. Hickcox, Nov. 14 ..... *174
Infrared oven speeds output of painted aluminum bars. L. E. Anderson, Oct. 31 ..... *94
Infrared vulcanizes carpet tape, Dec. 26 ..... *100
Meat is hickory-smoked with electricity. R. L. Grenan, Nov. 28 ..... *108
Metropolitan Edison's home-made oven built of scrap vitalizes grinder parts at Titus Station. Witman & Bachofer Jr., Oct. 17 ..... *122
Newspaper mats dry fast under vacuum and heat. J. M. Jennings Jr., Oct. 3 140
Overhead oven ups production, permits continuous enamel-baking. C. J. Sodergren, Sept. 5 ..... *115
Paint dries on cars in 30 min. in far-infrared drive-in oven, Nov. 28 ..... *110
Radiant oven features 2-way heat control. H. A. Hutchinson, Sept. 19 ..*184
Silicone lubricant made with help of electric kettles. R. F. McShane, Oct. 3 140
Strip heaters cut condensation in tank. K. W. Anderson, Oct. 31 ..... *94
Strip heaters mold dishes with superior results. P. C. LaMarre, Dec. 12. 140
Twin ovens boost output of baked parts 600%. A. L. Carroll, Aug. 22 ..*146
Uniting air conditioning unit and gas-fired heating plant. Leon Albertson, Sept. 19 ..... *178
Westinghouse prepares industrial heating show (N) Sept. 19 265
York Research Corp. cuts insurance rates with electric heat (N) Oct. 10 *55

Heating, Residential

American G&E 2-year electric house heating promotion makes success story. E. A. Snyder, Nov. 14 ..... *136
Chattanooga Electric Board reports home use at record high, Sept. 12 .. 64
Detroit Edison's customers interviews shows who buys electric house heating and how it is used (table) Nov. 14 133
Electric house heating may pay (Ed) Sept. 5 59
Electric house heating—1955 (report) (charts & tables) Nov. 14 ..... *129-144
Heating can be off-peak load. Welch & Berry (chart) Sept. 5 ..... *88
NEMA survey shows almost everywhere utilities like electric house heating (map & chart) Nov. 14 130
New electric coil for house furnaces, Sept. 12 48
7 things TVA has learned about its house heating load (charts & tables). W. R. New, Nov. 14 139
Turn on the electric heat (Ed) Nov. 14 105
Utilities need a house heating policy, Nov. 21 62

Hells Canyon

Foes snipe at Hells Canyon license, Oct. 31 144
FPC rejects application for rehearing, Oct. 10 18
Federal public power advocates begin legal assault on FPC's license to Idaho Power for development of Snake River (N) Sept. 12 10
Idaho Power revises plans for Snake River (N) Sept. 26 9
Idaho Power speeds work (N) Oct. 17 107
Victory at Hells Canyon (Ed) Aug. 29 5

Hydro Stations (see also Capacity Additions)

Chelan Dam site feasibility reports (N) July 4 15
Dalles Dam—bids invited for last big contract (N) Nov. 1 220
Dam and cooling tower together supply Shawville Station of Pennsylvania Electric with condenser and boiler water needs. C. W. Statler, Oct. 24 ..... *48
FPC okays Idaho Power Co.'s plan for Snake (map) (N) Aug. 15 8
'Ice dam' to be built by Seattle City Light which will freeze Skagit riverbed to 160-ft depth as part of coffer structure for Gorge High Dam (map) (N) Sept. 26 32
Pressurized bulkhead seals off intake in 200 ft of water at Horse Mesa plant, July 25 ..... *110
Pumped hydro storage scheme will be built in North Wales to expand Great Britain's basic power supply (map) Dec. 5 44
San Francisco voters okay two plants for Hetch Hetchy system (N) Nov. 28 57
2 speeds aid pump-turbine efficiency at Flatiron Plant of Colorado Big-Thompson Project. Brown & Eyer (map) Aug. 15 ..... *44
World hydro development hiked 460% since 1920 (N) Oct. 17 107

I

India

Studies bids for new electrical factory (N) Sept. 19 266

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

Industrial Applications

Caskets get hydraulic lift from basement to 1st floor. R. L. Grennan, Aug. 8 ..... *122
Electric mole saves $1,600 monthly. Carson Carmichael Jr., July 25 ..... *126
Electrostatic painting ups production. R. H. Shaffer, Sept. 26 ..... *48
Electrostatic spraying of plastics successful, Nov. 14 176
5-hp fan exhausts wood sandings, Sept. 5 ..... *116
Mixer cuts feed costs, saves $39 every day. George Wilkinson, Aug. 22 ..... *156
New developments aided industrial progress in 1955—year-end review and predictions for 1956. Allen Long, Dec. 26 75
Overheating of electronic tubes during construction and testing of "Univac" computers prevented by refrigerated water and fans. Leon Albertson, Oct. 3 ..... *138
Pallet conveyor ends production delay, Dec. 26 ..... *100
Roses thrive on electricity. Bruce Fearn, July 11 ..... *153
St. Louis coil plant features high quality lighting, air conditioning and electric heating. C. T. Heaton, Oct. 3 ..... *138
Ultraviolet rays sterilize water at economical cost, July 11 ..... *154
Vermiculite ore handling improved. J. M. Jennings Jr., Aug. 8 ..... *120

Industrial Relations (see **Employee Training and Welfare, Labor**)

Insulating Oils

GE to continue supplying electrical insulating oil (N) Sept. 19 266

Insulation

Color code identifies Pinco packaged insulators (N) Aug. 15 59
Du Pont produces new insulation (N) Sept. 5 158
Monsanto develops vinyl coating compounds for wire, July 11 188
Non-tracking butyl makes possible butyl-molded instrument transformers for 15 to 34.5-kv levels (N) Oct. 10 ..... *59
Potted-harness plug method improves connections, Oct. 3 ..... *95
Properties of molded plastic insulations with fillers (R) Pt. 1 Nov. 14—158, Pt. 2 Nov 28 98
Properties of plastic insulations without fillers (R) Pt. 1 Oct. 17—160, Pt. 2 Oct. 31 88
Record system summarizes insulation data. Bateman & Breed, Oct. 17 158
Self bonding electrical tape offered by Bishop Mfg. Co. (N) Oct. 17 235
'Thick' aluminum oxide insulation developed by Reynolds (N) Sept. 26 ..... *59
Thomas switch insulator has new aluminum alloy (N) Oct. 31 ..... *126
Westinghouse develops new wire insulation (N) Aug. 29 56

Interior Department

Clark Hill power—Chudoff group hears Interior's side (N) Oct. 24 ..... *8
Sets its policy on foreign bid margin (N) Nov. 21 10

Italy

Pacific P&L dam tour scores with Italian engineers (N) Nov. 14 105

L

Labor (see also **Employee Training and Welfare**)

Copper strike—first break in nation's strike comes as Phelps Dodge reaches agreement with union (N) Aug. 8 65
Duquesne Light labor dispute ends (N) Dec. 19 ..... *10
EEI Industrial Relations Conference in Chicago, Oct. 10 ..... *49
GAW demands will hit the electrical manufacturing industry this week when GE's negotiations begin (N) July 18 15
Living profitably under union contract, Aug. 15 ..... *51
Personnel rating can be worthwhile. H. E. Crabtree, Oct. 3 ..... *96
Recent labor developments in state capitals, July 4 50
Tennessee law guards men near high-voltage lines (N) Nov. 7 38
Westinghouse halves top pay (N) Dec. 12 88
Westinghouse strike hits 5th week (N) (table) Nov. 14 ..... *110
Westinghouse strikes cut 3rd quarter profits (N) Nov. 7 59
Westinghouse strikes end (N) Sept. 26 10
Westinghouse strike—2 pickets arrested (N) Dec. 26 ..... *56
Westinghouse, union deadlock in 7-day bout (N) Nov. 28 84

Legislation

Hells Canyon—federal advocates seek legal basis to overturn license, Oct. 31 144
Highway bill provides relocation aid (N) July 25 79
Hydro projects await President's approval (table) (N) Aug. 1 9
Oregon state legislation permits creation of street lighting districts. C. W. Jarrett, Oct. 3 ..... *115
Scoreboard of power legislation shows Eisenhower's policy crimped by Congress (N) Aug. 22 ..... *84
Upper Colorado Project—Echo Park Dam abandoned (N) Dec. 12 93
Upper Colorado Project—predict Echo Park Dam out to hasten approval by Congress (N) Nov. 21 9

Lighting

Educate America to better lighting. E. A. Campbell, July 25 ..... *102
Glass walls shed light in new station (N) Oct. 17 ..... *231
Home lighting courses to be included in Arizona high school program, Sept. 5 ..... *124
Lighter side of lighting business, Aug. 29 62
Lighting hits its stride (charts & tables) July 25 ..... *90-102
Lighting market is big . . . and with promotion can be made even higher (charts & table) July 25 92
Lighting program ready for vocational classes (N) Oct. 10 55
Lighting—why should utilities go after the lighting business? M. E. Skinner, July 25 93
New developments in light sources unveiled by three manufacturers, Dec. 19 54
Power will sparkle the season—from Los Angeles to New York the nation is lighted for festive holidays, Dec. 19 ..... *47
Your stake in better lighting (Ed) July 25 71

Lighting, Commercial

Connecticut's Berlin Turnpike gets mercury-vapor lights (N) Aug. 1 ..... *55
Cross-lighting cuts shadows in garage. J. H. Diven, July 11 ..... *142
Illuminated ceiling ups light, cuts cost at Boston department store, Aug. 15 *55
Jersey Central P&L redesigns office to set modern lighting example, Dec. 26 *58
Mockup pretests lighting schemes for new home office of Connecticut General Life Insurance Co. Felix Graham, Dec. 12 ..... *94
Night practice now possible at Michigan's Pine Mountain ski slide with new lighting system. R. A. Look, Sept. 12 ..... *45
Pink bulb made by Westinghouse, Sept. 12 55
Pink lighting trend gains, Sept. 5 124
Prison fence security raised by high levels of illumination and use of visual barrier of high-intensity glare. J. H. Burson, Sept. 12 ..... *44
Salt Lake City self-parking terrace aided with good lighting, Sept. 12 ..... *55
Storage yard illuminated by mobile light tower, July 11 ..... *142
Today's largest source of sale, it offers the highest return per kw, July 25 ..... *96
Tower-span light designed to alert aircraft (N) Nov. 7 56

Lighting, Industrial

Electric lights up egg output 30%, Nov. 14 191
Factories—light heads the list of important controllable factory conditions, July 25 ..... *94
Lincoln Tunnel third tube will have a unique lighting system, Oct. 31 ..... *61
New lights with built-in reflectors double illumination but power costs stay the same. L. M. Wallace, July 25 ..... *130
Reflector lamps end mill's dust problem. Ralph Segabarth, Aug. 8 ..... *120
Schrader ups light levels 30 ft-c by changing fluorescents from dc to ac. H. J. Peters, Aug. 29 ..... *46
'Shadowless light' created at Sylvania's Batavia plant, Sept. 5 ..... *116

Lighting, Residential

Arizona Public Service four-in-one booth displays home lighting (N) Dec. 19 ..... *54
Chattanooga Electric Board reports home use at record high, Sept. 12 64
Kansas G&E program tests effectiveness of direct home lighting promotion on a person-to-person basis. C. A. Spark, Oct. 31 ..... *98
Residential lighting is the richest market of all, and most promising as a load balance, July 25 ..... *98
What does it cost to sell home lighting? Wertheim & Loshing (chart) July 25 100

Lighting, Street

Amarillo, Tex. installs 2 ft-candles (N) Dec. 12 ..... *173
Arterial lighting recommended for Phoenix, Ariz. (N) Aug. 15 18
Cleveland to install fluorescent street lights, July 25 180
Crusade for street lighting (Ed) Oct. 3 77
Fluorescent street lighting: will it take over? July 4 ..... *55
Indianapolis gets 'world's brightest' street lights, Oct. 3 ..... *114
Light up the streets—report (charts) Oct. 3 ..... *101-116
Line Material Co. produces movie to foster street lighting (N) Oct. 2 182
Niagara Mohawk provides improved street lighting for Buffalo, N. Y. (N) Nov. 14 ..... *113
Pacific G&E master plan gives modernized street lighting to 51 communities. G. A. Trosper, July 25 ..... *89
St. Louis makes trial installations of three types of street lighting. Carter Lewis, Oct. 3 ..... *111
Summer, Wash. converts street lighting from incandescent to mercury-vapor without a break in service, Aug. 29 ..... *55
Unincorporated areas lighter in Oregon. C. W. Jarrett, Oct. 3 ..... *115
Year-long educational program pays off for Connecticut L&P R. E. Ballard, Oct. 3 ..... *112

Litigation

Washington Water Power sells properties in two counties to Chelan PUD, ends dispute (N) July 4 15

Load Characteristics

Peak months fix transformer load. Lawyer & Hoke (charts) July 18 37
7 things TVA has learned about its house heating load (charts & tables). W. R. New, Nov. 14 139
Sweltering heat hits utilities—load factors up sharply, Aug. 16 62
Virginia Electric & Power announces record load due to heat wave (N) Aug. 8 170

M

Maintenance

Air and limestone jet cleans insulators safely, effectively. J. K. Reaves, July 11 ..... *112
Cable reel repair demonstration held by George Evans Corp. (N) Sept. 26 *59
Cathodic protection cuts repairs at Florida P&L. J. B. Prime Jr., Dec. 12 ..... *104
Consolidated Edison of N. Y. uses dry ice to cool cables (N) Aug. 8 ..... *65
EEI Handbook Survey shows how underground is maintained. C. S. Anderson (tables), Nov. 28 ..... *76
8-step method to shorten outages at Virginia Electric & Power. R. L. Walker Jr., Nov. 28 ..... *70
Electrostatic painting ups production. R. H. Shaffer, Sept. 26 ..... *48
Evaluate the tools of service reliability (Ed) Aug. 22 81
Fiber shoes prevent shorting of brushes. Olin Strole, Aug. 8 ..... *114
Gas meters indicate cable trouble spots, Nov. 28 ..... *107
Impact tools speed generator maintenance, Aug. 22 ..... *136
Inexpensive taping method salvages underground shielded cable. A. R. Barton Jr., Sept. 19 ..... *158
Outdoor circuit breaker maintenance. R. O. Bonine (R) Sept. 5 180
Philadelphia Electric builds efficient maintenance shop. William Shay, Aug. 22 ..... *86
Power circuit breakers maintenance. R. O. Bonine (R) Aug. 22 134
Shielding in fuse tube improves service life. W. H. McClure, Oct. 17 ..... *149
Special wrench removes spline-type nuts safely. Cravens & Mendenhall, Nov. 28 93
Tapped collars protect threads on bushing studs. J. H. Cravens, Aug. 22 144

Management

Commonwealth Edison Co. techniques taught in job briefing cut errors. A. B. Larsen, Sept. 12 ..... *16
Educate yourself for life by reading, Oct. 17 ..... *112
Executive health: how to protect it. S. C. Franco, Dec. 19 16
Florida P&L finds suggestion plans need big awards. Lewis Carlton, Sept. 5 ..... *88
Happy, prosperous New York (Ed) Dec. 26 49

AEIC to sponsor $500,000 cable research, Nov. 7 ..... *15
Confusion over fusion (Ed) Nov. 21 5
National Science Foundation grant helps electrical research (N) Sept. 26 22
Utilities, co-ops give Minnesota U. a joint $100,000 'atoms for agriculture' grant (N) Oct. 31 ..... *48

Right-of-Way

Chemical Brush Control Conference approves sprays for clearing R-O-W, Aug. 1 51
Compact unit trims trees in congested areas. H. Heinrich, Aug. 5 ..... *108
Mechanization halves cost of clearing rights-of-way for Louisiana P&L. E. L. Lancaster, July 18 ..... *46
Northern States Power line layout aids right-of-way acquisition. Coleman & Ellsworth, Aug. 15 ..... *16
Ohio Power Co. right-of-way approved by Franklin County (N) Oct. 10 15
Pennsylvania solves problem of right-of-way construction and maintenance through state forest lands with new policy (N) Sept. 12 18
Recommended street and ornamental trees (R) July 25 112
Relocation aid provided in highway bill (N) July 25 79
Wyoming unit resolves utilities pay relocation (N) Aug. 1 15

Rural Electrification

All-electric home for farm draws favorable reaction from farmers in Kansas P&L's area, Sept. 5 ..... *70
Companies, co-ops pool sales efforts—2nd Annual Power Use Workshop (table) Dec. 26 ..... *57
Dairy labor costs cut with electricity. R. L. Maddex (tables) Aug. 8 .... *80
Electric lights up egg output 30%, Nov. 14 191
Electrified henhouse—how 1 man rules 10,000 hens. Glen Cushing, Sept. 19 *202
Farm wiring standards upped, Oct. 3 152
Pennsylvania Power contests sell youth on electrical farming. W. E. Gross, Dec. 19 ..... *32
Rural market—though ripe for better lighting, its future still remains uncertain, July 25 ..... *101

Russia

A-power output (N) Nov. 28 58
Atom advance revealed (N) Aug. 1.. 32
Atom plant 'shoddy' says R. R. Gros of Pacific G&E (N) Nov. 7 43
Premier Bulganin scores heavy equipment (N) Sept. 26 44
Turbogenerator shortcomings disclosed (N) Nov. 7 56

S

Safety

AEC issues safety rules for private atom users (N) July 18 13
Aircraft warning cable spans remote creek. J. J. Hansen, Dec. 26 .... *90
Atomic power licensee hinge on safety, Sept. 5 174
EEI Accident Prevention Committee meeting(N) Dec. 12 192
Gas detector assures safety in underground work, July 25 ..... *118
Icebox safety laws passed in Tennessee (N) July 4 20
Light up the streets—report (charts) Oct. 3 ..... *101-116
Molded rubber potential transformer assures greater safety for linemen. J. B. Murray, Sept. 5 ..... *96
New York State adopts safety code for atom plant workers (N) Nov. 7 30
Safety problems challenge engineers—AIEE meeting report, July 25 .. 200
Safety rules for industrial plants. W. J. Prise (R) Aug. 8 100
Semi-conducting soles reduce static discharge accidents. J. C. Slothower, Nov. 28 ..... *107
Tennessee law guards men near high-voltage lines (N) Nov. 7 30

St. Lawrence Project

Bedrock of St. Lawrence safe for power project (N) Nov. 7 22
Canadian Westinghouse awarded transformer contract for powerhouse (N) July 4 56
N. Y. State Power Authority approves program for construction of transmission line to deliver St. Lawrence power (N) Dec. 19 8
N. Y. State Power Authority transmission line okayed (N) Sept. 26.. 10
Private utilities rap state plans for St. Lawrence power (N) Oct. 24.. 10
State or private line issue up to Harriman (N) July 25 79

Sales and Promotion

Air conditioning cuts cleaning time for housewives survey shows (N) July 18 55
Appalachian Electric Power spreads prizes, pulls sales, Oct. 31 ..... *55
Appliance promotion—make it a white Christmas (Ed) Nov. 28 51
Appliance sales for 1955 booming, Sept. 5 120
Appliance sales remain high, say makers, Aug. 8 141
Appliances—do as with cars, promote obsolescence, says Kyes of GM Nov. 14 191
Chattanooga Electric Power Board puts home economic classes on TV, Oct. 31 55
Chicago Merchandise Mart show—higher prices for appliances (N) July 18 55
Cincinnati G&E's "Get in the Swim" fan and air conditioner promotion, Oct. 31 ..... *56
Cleveland Electric Illuminating refund guarantee campaign extended to both dryers and ranges (N) Oct. 10 55
Companies, co-ops pool sales efforts (table) Dec. 26 ..... *57
'Controlling' house heating through good public relations. L. M. Peoples, Nov. 14 ..... *134
Detroit Edison modernizes ranges to turn up new prospects, Oct. 31 .... *59
Dishwasher sales up in Cincinnati test, Oct. 3 146
EEI new sales training film, Oct. 17 195
EEI to give dryers added push (table), Oct. 3 146
EEI to repeat 'White Gloves' promotion for electric ranges, Nov. 28 112
Electrical industry forecast 1955-1970 (charts & tables) Sept. 19 129
Electrical living road show sponsored by American G&E and GE, Oct. 17.. *115
Energy costs for appliances estimated with slide-rule type of estimator, Nov. 28 ..... *112
Food freezer promotion — "Timely Tuesday" program of Arizona PS Nov. 14 192
GE to offer utilities joint market program (N) Sept. 19 112
Hawaiian Electric finds joint venture cuts home promotion costs, Sept. 5 ..... *120
Heat pump promotion picking up EEI survey shows (chart & tables) Dec. 26 60
Idaho Power replaces water heaters, Oct. 31 ..... *59
Indianapolis P&L opens 4-in-1 center for appliance demonstration, Sept 12 ..... *51
Inter-Industry Council ok's power use calendar to guide, time-tear farm promotions, Aug. 15 38
Kansas G&E's new trailer-mounted traveling farm and home exhibit, Aug. 8 ..... *68
Kansas P&L adds 1½ carloads of ranges to lines every 30 days with $2.94 rental plan, Oct. 31 54
Local advertising media help round up dealers for Arkansas P&L freezer campaign, Dec. 12 146
Look Magazine appliance promotion—"Be a Better Cook" July 11..... 158
Mama is customer; customer is queen, Sept. 26 62
Mass home builders growing in importance to appliance market, Dec. 12 144
Montana Power—cash coupons up major appliance sales, boost rural net, Oct. 31 56
NEMA dishwasher campaign, July 25*136
NEMA unit plans more dishwasher push in '56, Nov. 28 112
N. J. Public Service E&G's rewiring campaign—nine local AW units organized, Aug. 1 55
Niagara Mohawk to supply entrance cable and switbox to each residence subscribing to adequate wiring, Sept. 19 202
9 ways you can build load—entries from GE's "On to Europe" sales contest, Oct. 31 ..... *53
Oklahoma PS pays employees to sell; they do—4,484 appliances in 9 months, Oct. 31 ..... *57
Pennsylvania Electric and Metropolitan Edison find lamp shows are "bright idea", Oct. 17 ..... *182
Pennsylvania Power contests sell youth on electrical farming. W. E. Gross, Dec. 19 ..... *32
St. Joseph L&P campaign for truck heating loads. D. W. Runquist, Sept. 12 ..... *27
Sales were high in '55; but the future remains bright—year-end review and predictions for 1956. E. B. Sessions, Dec. 26 74
Seattle City Light program to convert customers to all-electric rate continues despite expected entry of natural gas into area, Oct. 17 197
Seattle Gas announces plans to capture 20% of heating sales (N) July 18 .. 46
South Carolina E&G to promote quick recovery water heaters (N) Dec. 19 54
Southwestern Public Service campaign to sell major electrical appliances to dealers' salesmen, Sept. 19 208
Street lighting—year-long educational program pays off for Connecticut L&P. R. E. Ballard, Oct. 3 ..... *112
TV—radio sales outlook good (N) Oct. 17 184
Toledo Edison Co. quits direct appliance selling (N) Oct. 10 55
Ultraviolet lamp can build load, Oct. 24 ..... *54
Washington WP backs wiring legislation, girds to battle coming gas competition, Oct. 31 ..... *58
Washington Water Power builds load by conversion of low-wattage water heaters at a flat-rate conversion charge, Aug. 29 55

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

West Penn Power Co. will extend its no-charge service entrance policy for dryers, Aug. 15 55
Wiring allowances sell commercial cooking. D. J. Morken, Aug. 8 ....*128

Securities and Exchange Commission

Approves financing of Yankee Atomic plant (N) Dec. 5 10
Patterson, Harold C. approved as member (N) Aug. 15 ..... *15
Rejects petition filed by Georgia PSC to separate Georgia P&L from parent, Florida Power Corp., because of their interconnections. Sept. 5 ... 176

Sicily

Cables across Straits of Messina supply more power (N) July 18 46

Standardization

American Standards published or in process (N) July 4 59
Wiring certification standards—are they too high? Dec. 12 92

Statistics

Appliance sales outlook continues bright in '55 (chart) Oct. 17 262
Branch, Harilee notes industry's stride in '55, Dec. 26 ..... *53

Plywood "oven" dries out flooded switchgear at Metropolitan Edison's Dock Street Substation (N) Sept. 12 *14
Three principles for rapid restoration of service following hurricanes and other disasters—Philadelphia Electric's catastrophe plan. J. A. English, Aug. 22 108
Utilities repair storm damage (N) Sept. 5 ..... *62

Substations

Air and limestone jet cleans insulators safely, effectively. J. K. Reaves, July 11 ..... *112
Cleveland Electric Illuminating's Eastlake station cuts installation cost of 2,200-v power circuits with armored cable in open racks. C. F. Paulus, Oct. 31 ..... *64
'Cottage' substation of Atlantic City Electric wins approval. R. M. Wilson, Oct. 17 ..... *118
Dallas P&L prefers fault bus relaying. W. D. Jordan, Aug. 1 ..... *20
Direct burial cuts control cable cost. I. G. Chronister, Aug. 5 ..... *83
Distribution lightning protection can be better, Aug. 22 ..... *110
El Segundo Station, located on Pacific Ocean near an oil refinery, burns most viscous fuel ever used. Oct. 31 *72
Felt-lined trough prevents torn charts. Willard Hecht, Oct. 17 ..... *170
Fitting subs to localities effective for Nashville Electric Service, Nov. 14.. 165
Keep rating up, weight down in mobile sub. R. F. Stuart, Dec. 26 .... *94
Low-cost gravel foundation supports large units. Luther Evans, Nov. 14. *156
New basic circuit approach betters control board design. Bateman & Walch, Aug. 8 ..... *84
New fence grounding procedure cuts costly operations. Olson & Tucker, Nov. 28 ..... *93
Oil circuit reclosers prove worth at Kansas City P&L. H. A. Shinkle Jr., Aug. 22 ..... *93
Plywood "oven" dries out switchgear equipment at Metropolitan Edison Co.'s Dock Street Substation (N) Sept. 12 ..... *14
Puget Sound P&L replaces conduit runs with gutters for control wiring and saves $2,000. Nov. 28 ..... *92
Reactor in feeder neutral minimizes voltage drop. Bennett Rutherford (chart) Oct. 3 ..... *121
Rolled steel shapes cut switchrack costs. Fietinghoff & Strauss, Dec. 12. *123
Shielding in fuse tube improves service life. W. H. McClure, Oct. 17 ..... *149
Southern California Edison's substation operators training school. H. L. Rudolph, Sept. 19 ..... *127
Special terminations aid tapping of UG circuits. G. W. Murdock, Aug. 8. *116
Union Electric Co. of Missouri's Jackson substation wins neighbors' approval. Schoetker & Maul, Aug. 29. *16
Ventilator covers keep snow out of switchgear. Shoemaker & Anderson, Dec. 12 ..... *134
Westinghouse installs 69-kv substation (N) Oct. 31 ..... *122
What affects substation layout? Davidson & Pansini (chart) Nov. 28.. 74

Suggestion Programs

Florida P&L finds suggestion plans need no big awards. Lewis Carlton, Sept. 5 ..... *61

Switches and Switching

Compressor overload prevented with switches. A. L. Carroll, Dec. 12... *140
Load-break cutouts switch capacitor banks. W. E. Shafer, Oct. 17..... *152
R&IE disconnect switch ready for Con Edison Co. (N) Dec. 12 ..... *174
R & IE supplies 330-kv switches, Aug. 22 ..... *186
Rolled steel shapes cut switchrack costs. Fietinghoff & Strauss, Dec. 12 ..... *123
Vacuum switch shows promise, July 25 ..... *179
Ventilator covers keep snow out of switchgear. Shoemaker & Anderson, Dec. 12 ..... *134

System Engineering

AIEE summer general meeting report, July 25 ..... *84
Automation cuts cooling power costs at Southwestern PS. E. W. Robinson, Dec. 12 ..... *100
Automation must proceed slowly—Southeastern Electric Exchange Engineering and Operation Section meeting, Oct. 10 ..... *25
BPA digital test solves load-flow problems, Sept. 26 39
California utilities establish organization to meet possible enemy attacks. H. G. Keesling, July 11 ..... *86
Computer makes duration curves. C. R. Murton (chart & table) Nov. 28 72
Consumers Power will link offices by tunnel with new underground control center, July 25 ..... *80
Cooling towers gain acceptance. R. W. Gausmann (charts & table) July 18 *16
Cornell calculator to aid utilities (N) Nov. 14 ..... *169
Design cuts transmission cost—AIEE meeting report, July 25 ..... *87
Detroit Edison licks arc furnace flicker with two synchronous condensers, three reactors and a transformer. S. W. Luther & others, Oct. 31 ..... *66
Digital computer eases Detroit Edison repeat calculations and permits testing of alternate cycles for economical selection. Large & Lee, Sept. 12 *30
Dispatcher's chart shows plant and system capability. R. T. Price, July 11 ..... *124
EEI Electrical Equipment Committee meeting—system planning program revealed, Nov. 7 ..... *50
Electrical industry forecast 1955-1970 (charts & tables) Sept. 19 129
Long term planning essential (charts) Melvin & Gourdon Oct. 3 98
Need for power system planning grows —AIEE meeting report, July 25... *85
New basic circuit approach betters control board design. Bateman & Walch, Aug. 8 ..... *84
New control schemes guide power generation—AIEE meeting report, July 25 86
90-deg relay connections urged. Mills & Dupuis, Dec. 12 ..... *114
Okinawa gets steam power plant. W. F. Pinckert, Oct. 24 ..... *30
Plan system and relaying together—AIEE meeting report, July 25 ..... *86
Pumped hydro storage scheme will be built in North Wales to expand Great Britain's basic power supply (map) Dec. 5 44
System operation center pays off for Jersey Central P&L. J. E. Logan, Aug. 29 ..... *50
Voltage dip and automation (Ed) Oct. 24 5

T

Taxes

Cooperatives exempt from taxes—sense of fair play (Ed) Nov. 28 51
Fast tax write-off snarled (N) July 25 77
4 types of depreciation examined, July 25 266

Washington Water Power spikes PUD tax claim. July 25 ..... *192

Tennessee Valley Authority

Congress weighs future TVA financing. July 25 204
Dixon-Yates see separate heading. **Dixon-Yates**
Kingston plant completed (N) Nov. 28 *55
Sammis scores TVA financing in Senate suit (N) Aug. 1 ..... *8
Senator McClellan wants Congress veto on TVA. Aug. 22 208
7 things TVA has learned about its house heating load. W. R. New, Nov. 14 139
Vogel, Herbert D. says TVA needs new headquarters site (N) Aug. 29 44

Terminology

Give us a hand on terminology (Ed) Aug. 1 5
Clarifying today's nuclear language, Sept. 26 18
This nuclear language (Ed) Sept. 26 .. 5

Testing and Tests

A-C provides surge test for high-voltage transformers (N) Aug. 15 56
Accurate testing method gives coal pile data faster, July 11 ..... *118
Capacitors up transformer test capacity 100%. Pirhofer & Salton, Nov. 14 ..... *154
Consumer Power's tests conserve transformer kva. Howard Jenson (charts) Dec. 26 62
Cross-phase method may result in meter test errors. C. H. Spaderna, July 25 ..... *114
Double-plank truss arm design framing proved adequate by tests. Oct. 3 ..... *94
El Mec Laboratories announces network protector testers (N) Dec. 26. 126
Field test kwhr meters and save 30¢ each. Talley & Unangst, Nov. 14 .. *148
Freezing of pipe cable guided by tests —AIEE meeting report, July 25 ... 87
Functional life testing of transformers a growing need—AIEE meeting report, July 25 200
GE tests new 132-kv air-blast breaker (N) Aug. 8 ..... *158
High-altitude transmission test planned (N) Aug. 15 30
Mockup pretests lighting schemes for new home office of Connecticut General Life Insurance Co. Felix Graham, Dec. 12 ..... *94
Multi-Amp produces induction relay tester (N) Dec. 26 126
National Bureau of Standards' comparator tests standard cell to 0.002% accuracy, Oct. 3 ..... *117
New England Electric System laboratory board speeds tests on standards. F. J. Levitsky, July 4 ..... *44
Okonite Co. triple checks quality of cable (N) Sept. 26 ..... *56
Plastic tank helps test transformer coils (N) Oct. 17 ..... *235
Primary method checks protective relays speedily. R. M. Rhoades, Aug. 8 ..... *104
Public Service of Oklahoma tests find capacitors and regulators solution to voltage problems brought by air conditioning loads. Fowler & Thomas, Aug. 8 ..... *74
Record system summarizes insulation data. Bateman & Breed, Oct. 17.. 158
Rugged field tester checks demand-meter registers. M. D. Jester, Oct. 3. *121
Simple pole test gives creosote content. M. S. Hudson, Sept. 19 ..... *149
Simple test board built for small meter shop. V. N. Reynolds, Aug. 22.. *124
Surge attenuation less on high voltage cable field findings show, July 25 194
Transmission splices checked by tester. Runciman & Westman, Aug. 8 ..... *93
Two curves simplify battery left tests. K. A. Vaughan, Dec. 26 85
Two simple tests check economics of shunt capacitors for loss reduction. L. J. Rankine (R) (chart) Oct. 3.. 126
Watthour meters tested in less than a minute with new board. W. A. Greig, July 25 ..... *106
Westinghouse extends impulse testing of all power transformers (N) Oct. 17 231

Transformers

Alcan transformers to have aluminum windings (N) Nov. 21 59
Allis-Chalmers Gadsden plant ships first transformers (N) Oct. 10 ..... *56
Allis-Chalmers kit adapts current transformers to higher voltages (N) July 4 ..... *59
Allis-Chalmers new autotransformers have extra-high voltage ratings. Oct. 24 ..... *56
Arizona Public Service installs Swiss transformer at San Manuel substation (N) Aug. 22 ..... *89
Automatic batch system treats GE transformers (N) Nov. 28 142
Canadian Westinghouse awarded transformer contract for St. Lawrence powerhouse (N) July 4 56
Distribution transformer sales are up (N) Aug. 22 186
Fireproof transformer vault wins decision by economy. L. J. Langevin, Sept. 5 ..... *110
Functional life tests a growing need—AIEE meeting report, July 25 200
GE awarded contract for autotransformer, July 25 180
GE cuts pole-type transformer height (N) Nov. 7 ..... *59
GE's oldest transformer retired (N) Oct. 17 ..... *107
GE ships giant transformers (N) July 18 ..... *56
Handling facilities designed by Alabama Power. Judson Webb, Dec. 12. *127
Jersey Central P&L transformer built in five days (N) Aug. 15 ..... *15
Maloney Electric ships large dry-type transformer (N) Nov. 28 ..... *142
New welder joins tanks of Wagner transformers (N) Nov. 28 144
Overload indicator added to Wagner transformers (N) Nov. 21 ..... *59
Pennsylvania Transformer to ship units in drums (N) Sept. 19 265
Special drill cuts holes into transformer tank, Sept. 5 ..... *104
Steel transformer platform serves up to 1,000-kva load. Paul Rist, Aug. 8 ..... *104
Tests conserve transformer kva at Consumer Power Co. Howard Jenson (charts) Dec. 26 62
3-phase transformers simplify installation, July 25 ..... *124
Transformers reflect load gains. J. H. Chiles Jr. (charts) Nov. 21 15
Voltage selector connects mobile transformers quickly. Harold Brumbaugh, Nov. 14 ..... *156

Transmission

AIEE Fall General Meeting tackles T & D topics, Nov. 7 ..... *44
Aircraft warning cable spans remote creek. J. J. Hansen, Dec. 26 ..... *90
Arizona PS utilizes Cibola Ferry to string 32-kv line into Cibola Valley (N) Nov. 28 ..... *59
Automation must proceed slowly—Southeastern Electric Exchange Engineering and Operation Section meeting, Oct. 10 ..... *25
BPA's 345-kv line nears completion (N) July 18 ..... *22
British Columbia Electric starts initial work on Jervis Inlet span (N) Dec. 26 135
Depots hurry work on 187-mile line of Texas Electric Service Co., Sept. 26. *16
Design cuts transmission cost—AIEE meeting report, July 25 ..... *87
Electrical Industry forecast 1955-1970 (charts & tables) Sept. 19 129
Electronic relay solves protection problem on Manitoba Power Comm. transmission loop. J. P. C. McMath, Oct. 10 ..... *30
European utilities accept 380 kv—Detroit Edison engineers study European practices. L. W. Clark (table) Aug. 8 ..... *70
Evaluation of new tower designs may reveal why EHV lines show excess outages. Dr. C. J. Miller Jr., Sept. 5 *74
Extra-high voltage cables seen as rising need by utilities. L. I. Komives (tables) July 11 98
Finland orders 380-kv line (N) Nov. 7 32
High-altitude transmission test planned (N) Aug. 15 30
Idaho Power speeds Baker-LaGrande line (N) .....Nov. 28 *59, Dec. 12 91
Improvisation marks flood repairs, Sept. 26 ..... *30
Louisiana P&L decides on vertical bundling. Deloney & Rush (charts & tables) Dec. 12 ..... *102
Metal ribbons might scare pileated woodpecker, July 11 ..... *129
Move is on to higher voltages in overhead lines and cables—year-end review and predictions for 1956. D. T. Braymer, Dec. 26 70
N. Y. State Power Authority approves program for construction of transmission line to deliver St. Lawrence power (N) Dec. 19 8
N. Y. State Power Authority transmission line okayed (N) Sept. 26 10
Northern States Power line layout aids right-of-way acquisition. Coleman & Ellsworth, Aug. 15 ..... *16
Parameters of extra-high voltage transmission. Griscom & Maxwell (charts) July 11 104
Public Service E&G detects bad splices easily with bolometer. R. M. Havourd (chart & table) Dec. 12 ..... *98
Reconductors to build capacity for on CEI existing lines. F. J. Brown (charts & tables) July 4 ..... *30
St. Lawrence power—state or private line issue up to Harriman (N) July 25 79
Sicily—cables across Straits of Messina (N) July 18 46
Southwestern Public Service cuts cost of 230-kv transmission line with new H-frame design. C. W. Gragg, Oct. 3 ..... *92
Stapled barriers for towers discourage gulls. Nov. 28 ..... *102
Steel wishbone arms cut upkeep, last longer. J. N. Keith Jr., Oct. 17 .... *162
Tester checks transmission splices. Runciman & Westman, Aug. 8 .... *93
Texas Electric service interrupted by weather balloon (N) July 4 ..... *20
Tower dismantling, erection speeded with 85-ft pole-boom, Aug. 22 .... *130
Tracer-current generator speeds locating breaks in counterpoise. S. K. Waldorf, Oct. 31 ..... *82

Trucks and Trailers (see also **Materials Handling**)

Fork lift erects lighting standards, solves traffic problem. C. B. Talley, Aug. 8 ..... *97
Four Wheel Drive Auto Co. caravan exhibits new utility trucks (N) Oct. 10 56
Four Wheel Drive to lease trucks for 3 or 5-year period (N) Nov. 14 224
Southern Calif. Edison uses name plates on line trucks (N) Dec. 19 ... *51
Trailer simplifies scaffold hauling, Aug. 8 ..... *97
Tree-trimming truck hauls chips, tools and men. F. E. Graham, Oct. 31.. *84
Truck tanker hauls, filters and tests transformer oil. July 25 ..... *116

Turbines

Allis-Chalmers awarded contract for four Noxon turbines (N) Aug. 29.. 56
Allis-Chalmers releases details on Ridgeland spindle burst (N) Dec. 12 176
Gas turbine best for feed pump drive C. J. Burke, Aug. 1 ..... *30
Higher efficiency with steam-gas cycle. Wilson & Hafer (chart) July 11 ... *94
Rail-mounted gas turbine power plant to be acquired by Mexican FPC to ease shortage (N) July 11 84
Turbine-driven feed pump best AG&E finds. J. A. Tillinghast, Nov. 28 ... *66
2 speeds add pump-turbine efficiency at Flatiron Plant of Colorado-Big Thompson Project. Brown & Eyer (map) Aug. 15 ..... *44

V

Voltage Regulation

Detroit Edison licks arc furnace flicker with two synchronous condensers, three reactors and a transformer. S. W. Luther & others, Oct. 31 ..... *86
Distribution accents voltage, poles—AIEE meeting report, July 25 87
EEI Transmission & Distribution Committee meeting at New Orleans air voltage boost plan, Oct. 24 ..... *22
Extra-high voltage cables seen as rising need by utilities. L. I. Komives (tables) July 11 98
Series capacitors foil flicker. T. H. McGreer, Sept. 5 ..... *84
Voltage dip and automation (Ed) Oct. 24 5

W

Welding

Resistance Welder orders continue to increase (N) Dec. 19 59

Wiring

Adequate wiring booklet from NEMA, Sept. 19 204
Adequate wiring is everybody's business (Ed) Dec. 12 85
AW promotions get some doctoring—programs at Cincinnati G&E and Electric Institute of Washington, D. C., Nov. 14 ..... *180
Adequate wiring—new cartoon character, July 11 ..... *154
Adequate wiring promotion—new slide film cartoons wiring woes, Sept. 12 *51
Adequate wiring promotion award to be offered by Look Magazine, Nov. 28 114
Baltimore apartment house manager rewires premises to provide better utility service for tenants. Young & Meade, Nov. 14 ..... *118
Banks plug adequate wiring, Sept. 19. 204
Certification standards—are they too high? Dec. 12 92
EEI starts wiring program (N) Dec. 26 56
Farm wiring standards upped, Oct. 3. 152
How Kansas City jacked up its wiring sales, Aug. 22 ..... *154
Mississippi P&L finds lights sell wiring. Woodrow Benton, Nov. 28 114
Nashville Housing Authority tells tenants no wiring, no cooling, Nov. 14. 192

(Ed) Editorial. * Illustrated. (N) News. (R) Reference Sheet.

New boost for adequate wiring (Ed) Oct. 3 77
N. J. Public Service E&G's rewiring campaign—nine local AW units organized, Aug. 1 55
Niagara Mohawk to supply entrance cable and switchbox to each residence subscribing to adequate wiring, Sept. 19 202
Pennsylvania P&L extends wire-on-time plan (N) Oct. 3 161
Puget Sound P&L replaces conduit runs with gutters for substation control wiring and saves $2,000, Nov. 28 *92
"Skimpy" joins battle (Ed) Aug. 8 .. 57
Trailer home equipped with adequate wiring, Sept. 19 204
University Loudspeakers overhauls wiring for load growth. A. L. Carroll, Oct. 17 ..... *174
Wisconsin contractors offer $99.50 wiring package, Nov. 28 ..... *114
Wisconsin P&L goes to wire-on-time plan, Oct. 17 199

AUTHOR'S INDEX

ADAMS, P. H. & C. J. Schnarr: Microwave links utility offices, Oct. 17 .. *116
Albertson, Leon: Brain "washed" by cold water and fans, Oct. 3 ..... *138
Why unite an air chiller and furnace? Sept. 19 ..... *178
Amorosi, A. & others: APDA plans fast breeder reactor, Nov. 21 ..... *25
